"Bizness Apps allows SMBs to easily create beautiful apps in minutes."

The New York Times

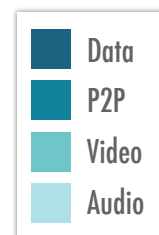

Start Your Very Own MOBILE APP COMPANY

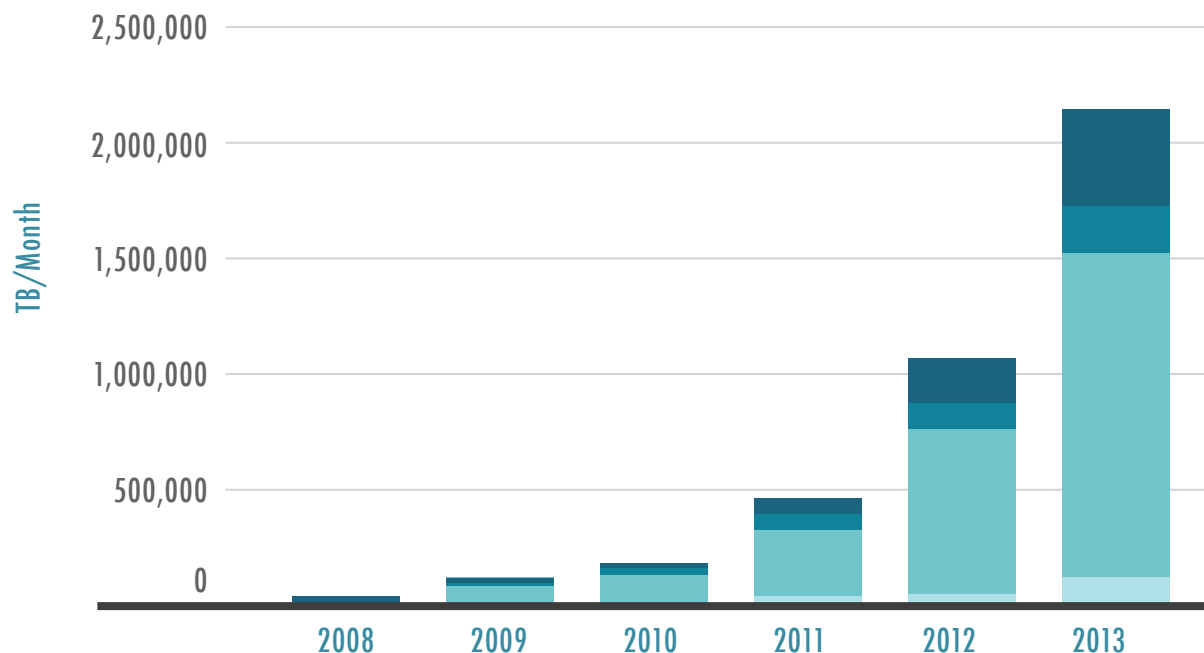

Bizness Apps is making mobile apps affordable and simple for small businesses. We're a do-it-yourself iPhone, iPad, Android & HTML5 app platform that allows any small business to simultaneously create, edit, and manage mobile apps online without any programming knowledge needed.

If you have customers interested in mobile applications, **Bizness Apps** enables you to deliver mobile apps faster, better, and at a lower cost than ever before. We offer a complete "mobile business in a box" for clients that are looking to build multiple mobile apps per month. With our white label reseller solution, we allow you to effectively up sell our applications to enable huge profit potential from your existing clients or small businesses in your local area!

The Mobile Opportunity is Massive

Source: Cisco

Business Apps is the #1 MOBILE PLATFORM

Business Apps is unique in that we are the only mobile app company focused on providing mobile solutions for small businesses. With our specific aim on small business industries we are able to provide the necessary features and functionality that any business will need to make their app a successful marketing tool. A proper application will allow a small business to successfully expand their presence into the mobile market, correlating to a direct increase in revenue.

| Backed by some of the best investors in the business and profitable since 2011

| Build beautiful applications for iPhone, iPad, Android, HTML5 in under an hour

| Exceptional customer service via live chat, email, and phone support

| We provide the fastest TA and the most affordable mobile apps in the industry

| Our platform is extremely powerful, flexible, and easy to use

Grow Your Company with BUSINESS APPS

Mobile is the fastest growing industry in history. Establishing yourself early as a mobile solution provider will help retain existing customers, attract new customers, and differentiate your company from your competition. Mobile applications are the next frontier of marketing for businesses and the industry is predicted to sky rocket over 1000% in the next three years to a 56 billion dollar market (Gartner Group).

| Add value to your existing product offerings

| Differentiate your company from your competitors

| Provide a needed service to your clients and attract new clients

| Establish your business as a cutting edge technology company

| Be part of the fastest growing industry in history

| Generate an additional revenue stream for your company

Mobile Apps Provide HUGE INCOME OPPORTUNITIES

Our most successful resellers are selling apps for a \$1k setup fee and \$100 a month. Below we outline your potential success path, as you can see, it adds up quickly!

- 10 Apps — \$10,000 in set up fees and \$1,000/month in residual income
- 25 Apps — \$25,000 in set up fees and \$2,500/month in residual income
- 50 Apps — \$50,000 in set up fees and \$5,000/month in residual income
- 100 Apps — \$100,000 in set up fees and \$10,000/month in residual income
- 500 Apps — \$500,000 in set up fees and \$50,000/month in residual income, with many more clients lining up from referrals.

Be sure to take a look at our Business CRM, www.businesscrm.com. We make sales tracking simple and easy. Boost sales with business insights and discover new SMB leads. Included completely free as a reseller!

RESELLER TESTIMONIALS

Bizness Apps' customer service is A+, when I first started out I had so many questions and they were very kind and helpful. The tools they offer to us are helpful as well. I enjoy watching the webinars and learning all the great features they have to offer.

Anthony C.
Keyport, NJ, United States

CLIENTS WORLDWIDE

Bizness Apps has a product that provides a solution to most business customer's requirements and they have outstanding customer service. I have worked with them for about two years and it's one of the best steps I made.

David E.
Israel

Bizness Apps excels at providing an easy to use toolset for interactive companies to offer a fully branded powerful mobile app solution. Love the product... We have literally completely changed our business offering and have created a recurring business model by now being able to offer mobile apps to our customers.

JR M.
Atlanta, GA, United States

Bizness Apps excels at customer service, problem solving, prompt email replies, great quality products, great training and information streams. They have a fabulous product to work with and stay on the leading edge of the latest technology and features available.

Trish R.
ST Georges Basin, NSW Australia

Pricing - Become Part Of The **MOBILE BOOM TODAY**

In order to ensure that we are able to provide excellent reseller support and limit the competition between resellers, we require an upfront 30 app commitment. This means that your initial pricing starts at just \$300/month and includes 30 iPhone applications.

Initial pricing **\$300/month** – first 30 iPhone apps included

After your 30th app – additional **\$10/month** per live iPhone app

Free & unlimited Android Apps & HTML5 mobile websites (INCREDIBLE!)

Focus on sales only, we offer professional app designs for **\$200 per app**

Professionally designed marketing materials and reseller training

Cancel at any time – 100% risk free

This Sounds Awesome! **HOW DO I GET STARTED?**

To get started, all we require is for you to subscribe to our service.
